Sermon Audio file

Luke 12:13-21

Context

Warning about greed

Be rich toward God

Tomorrow may be too late

Small Group Questions

Read John 17:3 - this implies a full life comes out of intimate relationship with God - discuss.

Referring to Luke 12:21, what did Jesus mean by being 'rich toward God'?? What does 'loving God with all our being' look like in practice?

Do you live like today might be your last? If we did, how might it change our daily focus on what is important and what we choose to do?
