Small Group Questions

- Spend some time acknowledging again that we come to God empty-handed, and thank Him for His amazing grace that saves us.
- A wise man 'hears Jesus' words and puts them into practice'. How can we hear his words? What is he saying to you at the moment? What are you doing about it?
- God has good works prepared in advance for us to do. Share with each other where you can see them being fruitful to encourage them. Pray for courage for each other to step out so we may bear more fruit.
- Pray for those in the group who feel they are in a storm, that they would know the strength of their foundation in Jesus, his help and comfort so they can stand firm.
